MS&T OFFERS **3**  
MATERIALS SCIENCE  
CONFERENCES IN **1!**

Annual Meeting

**TMS** FALL MEETING

### ATTENDEES BOAST SIGNIFICANT PURCHASING INFLUENCE!

This event offers you direct access and showcases your products and services. Talk directly with more than 3,200 potential customers involved in the materials science profession.

### ROBUST TECHNICAL PROGRAM

The best and brightest share their knowledge at this event. The technical sessions at this conference often spark new ideas and solutions to problems, and offer your company an edge over the competition. Make sure that you are involved.

### DYNAMIC EXPOSITION

Roll out your latest products and services at this event and size up your competition. This unique event offers a great opportunity to see what is happening across the materials science community.

## EXHIBIT AT MS&T

#### WHERE MATERIALS INNOVATION HAPPENS

Benefit from more than 3,200 attendees interested in products related to structure, properties, processing and performance of materials. This conference covers the breadth of materials science, addressing the latest advancements in:

- Additive Manufacturing
- Artificial Intelligence
- Biomaterials
- Ceramic and Glass Materials
- Electronic and Magnetic Materials
- Energy
- Fundamentals and Characterization
- Iron and Steel (Ferrous Alloys)
- Materials-Environment Interactions
- Modeling
- Nanomaterials
- Processing and Manufacturing
- Special Topics

Organizers:

*MS&T attracts key players in the materials science community. Below is a sampling of companies that have recently benefited from this valuable opportunity. Don't miss out. Reserve your booth today!*
